

RESOLUTION OF THE BRISTOL VIRGINIA SCHOOL BOARD TO ACCEPT
ADDITIONAL PROPOSALS FOR CONCEPTUAL REVIEW PURSUANT TO
THE PUBLIC-PRIVATE EDUCATION FACILITIES AND INFRASTRUCTURE
ACT OF 2002 ("PPEA") TO DEVELOP, DESIGN, CONSTRUCT, AND BUILD
A NEW INTERMEDIATE SCHOOL

WHEREAS, the City of Bristol, Virginia (the "City"), has a need to replace existing elementary school facilities and construct new elementary/intermediate school facilities;

WHEREAS, the General Assembly enacted the Public-Private Education Facilities and Infrastructure Act of 2002 ("PPEA"), which provides an alternative to traditional methods for procurement of new school design and construction;

WHEREAS, the Bristol Virginia School Board (the "Board") adopted its implementation guidelines ("Guidelines") for the PPEA on June 5, 2017;

WHEREAS, on February 26, 2018, S.B. Ballard Construction Company of Virginia Beach, Virginia, submitted an unsolicited PPEA conceptual proposal to develop, design, construct and build a new intermediate school;

WHEREAS, on March 5, 2018, the Bristol Virginia School Board ("Board") accepted the unsolicited PPEA proposal from S.B. Ballard Construction Company;

WHEREAS, on March 7, 2018, the Board solicited competing proposals in accordance with the Guidelines and the PPEA Notice of Receipt, as approved;

WHEREAS, two additional proposals were received by the publicized April 24, 2018 deadline;

WHEREAS, the Superintendent and staff recommend acceptance of the two additional proposals for publication and conceptual-phase consideration;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby accepts the updated proposal submitted by S.B. Ballard Construction Company and the competing proposal submitted by J.A. Street & Associates for publication and conceptual-phase consideration.

Adopted: May 7, 2018
