

**SCHEDULES TO  
PURCHASE AND SALE AGREEMENT**

**dated as of September 9, 2009**

**by and between**

**SOUTHEASTERN PUBLIC SERVICE AUTHORITY OF VIRGINIA**

**and**

**WHEELABRATOR TECHNOLOGIES, INC.**

*[NOTE: These schedules reflect applicable items identified by SPSA and its advisors through September 4, 2009. SPSA reserves the right to supplement or modify the schedules to the extent that there are changes or new or additional matters that come to SPSA's attention after such date and prior to its signing of the Agreement and prior to the Closing.]*

**SCHEDULE 2.01(b)**

**SPSA Real Estate**

ALL THAT certain lot, piece or parcel of land with the improvements thereon and the appurtenances thereunto belonging, lying, being and situate in the City of Portsmouth, Virginia, and being known, numbered and designated as "Parcel 'A' 0.6675 acres (29,078.95 sq. ft.)" as shown on that certain plat entitled "Plat Showing Subdivision of Parcel of Property owned by Atlantic Wood Industries to be conveyed to Southeastern Public Service Authority of Virginia, Portsmouth, Virginia" dated December 2, 1985, revised December 30, 1985, made by Hassell & Folkes, P.C. and recorded in the Clerk's Office of the Circuit Court of the City of Portsmouth, Virginia (the "Clerk's Office") in Map Book 13 at page 119.

**SCHEDULE 2.01(f)**

**Power Purchase Agreements**

1. Master Purchase and Sale Agreement with American Electric Power Service Corporation, dated April 23, 2008, as modified by Letter Agreement dated June 26, 2009.

**SCHEDULE 2.01(g)**

**Third Party Hauler Agreements**

**Solid Waste Delivery Agreements**

1. Amended and Restated Solid Waste Delivery Agreement with All Virginia Environmental Solutions, dated June 17, 2009.
2. Amended and Restated Solid Waste Delivery Agreement with Alliance Waste Disposal Co., Inc., June 17, 2009.
3. Amended and Restated Solid Waste Delivery Agreement with Recycling Disposal Solutions, dated July 10, 2009.
4. Amended and Restated Solid Waste Delivery Agreement with TFC Recycling, dated July 10, 2009.
5. Amended and Restated Solid Waste Delivery Agreement with Taylor Waste Services, dated June 17, 2009.
6. Solid Waste Delivery Agreement with Allied Waste Services, dated December 17, 2008.
7. Solid Waste Delivery Agreement with Bay Disposal, dated December 12, 2008.
8. Solid Waste Delivery Agreement with Meeks Disposal Company, Inc., dated December 9, 2008.
9. Solid Waste Delivery Agreement with Waste Industries, LLC, dated December 17, 2008.

## SCHEDULE 2.01(h)

### O&M Agreements

#### Agreements re: Operation and Maintenance of WTE Facility's Information Systems

1. Priority Support Program with Commonwealth Controls Corporation.
2. Support Services Agreement with Control Dynamics.

#### Purchase Contracts on Major Equipment and Service Agreements

1. Pricing Agreement with Magotteaux, Inc., dated June 19, 2008.
2. Agreement with Electric Motor and Contracting, dated October 13, 2008.
3. Agreement with Insulation Specialties, Inc., dated June 19, 2008.
4. Agreement with Patton's, Inc., dated November 13, 2008.
5. Agreement with Resource Recycling, dated May 3, 2006.

#### Agreements for Purchase of Services, Materials, or Supplies

1. Marketing Agreement with Resource Recycling, LLC, dated May 6, 2003.
2. Marketing Services Agreement with Chesapeake Waste Solutions, Inc., dated December 14, 1998, as may be amended following re-negotiation with the contractor.
3. Agreement with Ashland Water Technologies, dated September 3, 2008.
4. Agreement with Atlantic Blue Ridge Elevator, dated June 19, 2008.
5. Service Agreement with Atlantic Dominion, dated July 2, 2008.
6. Service Agreement with Damuth Trane, dated August 2, 2007.
7. Pricing Agreement with Deer Park Water Company, dated June 19, 2008.
8. Pricing Agreement with Dodson Bros. Exterminating Co., Inc., dated July 2, 2008.
9. Agreement with Harley Security, LLC, dated July 11, 2008.
10. Pricing Agreement with Parker Oil Company, Inc., dated June 14, 2007.
11. Service Contract with The Hartford Steam Boiler Inspection and Insurance Company of Connecticut, dated June 27, 2003.
12. Pricing Agreement with Greer Industries, Inc., dated June 19, 2008.

13. Agreement with Key Chemical, Inc., dated September 16, 2008.
14. Pricing Agreement with Menardi Mikropul, LLC, dated June 17, 2008.
15. Agreement with Staveley Services Fluids Analysis, dated June 19, 2006.

**SCHEDULE 2.01(i)**

**Machinery, Equipment, Furniture, Fixtures, Tooling and Other Personal Property**

Spare Parts, Tools and Consumables Inventories

*[List updated to June 17, 2009 attached]*

**Chemical Inventory  
June 17, 2009**

Amersite11	40 gallons x 10.93 437.20
Advantage plus 1400	40 gallons x 13.21 528.40
Adjunct HL	40 gallons x 17.65 706.00
Drew 6134	500 gallons x 9.21 4,605.00
Biosperse 250	100 gallons x 16.60 1,660.00
Biosperse 3204	250 gallons x 19.01 4,752.50
61 W	20 gallons x 13.90 278.00
Drew 2600	75 gallons x 10.93 819.75
Drew 1848 Amine	75 gallons x 15.31 1,148.25
Drew 315	25 gallons 41.90 1,047.50
Drew 6150	100 gallons x 20.00 2,000.00
Drew 2215	250 gallons x 1.26 6,300.00
Sulfuric Acid	35,000.00 Lb x .24 8,400.00
Caustic	35,000.00 Lb x .34225 Lb 11,978.75
Lime	84.40 Ton x 130.00 10,972.00

Company code	1000

## SCHEDULE 2.01(I)

### Governmental Permits

1. Federal Operating Permit based on the requirements of the Federal Clean Air Act and Chapter 80, Article 1, of the Commonwealth of Virginia Regulations for the Control and Abatement of Air Pollution, issued by the Commonwealth of Virginia Department of Environmental Quality, effective February 4, 2008, expires February 3, 2013.
2. Authorization to Discharge under the Virginia Pollutant Discharge Elimination System and the Virginia State Water Control Law. Permit No. VA0089923 issued by the Commonwealth of Virginia Department of Environmental Quality, effective October 22, 2008, expires October 21, 2013.
3. Hampton Roads Sanitation District Industrial Wastewater Discharge Permit No. 0284, effective July 1, 2005, expires June 30, 2010.
4. Hampton Roads Sanitation District Industrial Wastewater Discharge Permit No. 0447, effective July 1, 2009, expires June 30, 2012.
5. Prevention of Significant Deterioration Permit Stationary Source Permit to Construct and Operate, Permit No. 61018, issued by the Commonwealth of Virginia Department of Environmental Quality. Amended on August 20, 2003.
6. Stationary Source Permit to Modify and Operate. Permit No. 61018, issued by the Commonwealth of Virginia Department of Environmental Quality. Amended on May 29, 1996.

## SCHEDULE 2.01(o)

### Acquired IP

1. CEMS software (owned by SPSA) - This program provides continuous emission monitoring for the plant. It runs on one server and two workstations at the power plant. The software is provided by VIM Technologies and is also supported by a service contract with them.
2. DeltaV - a plant control system that operates independent of SPSA's main computer network. SPSA has approximately 48 licenses.
3. dcLink - from Data Systems International is used for plant maintenance / inventory management. It provides a barcode pass-through system that updates our SAP system for inventory control.
4. CONCEPT and PROWORX NXT are used in support of the programmable logic control ("PLC") network at the WTE Facility (procured through Commonwealth Controls Corp., contract no. A1AO005664).
5. IFIX software acquired through GEFANUC used for graphic control, Customer Service #10697700, made by iGlobalCare Complete.

SCHEDULE 2.01(p)

Additional Contracts

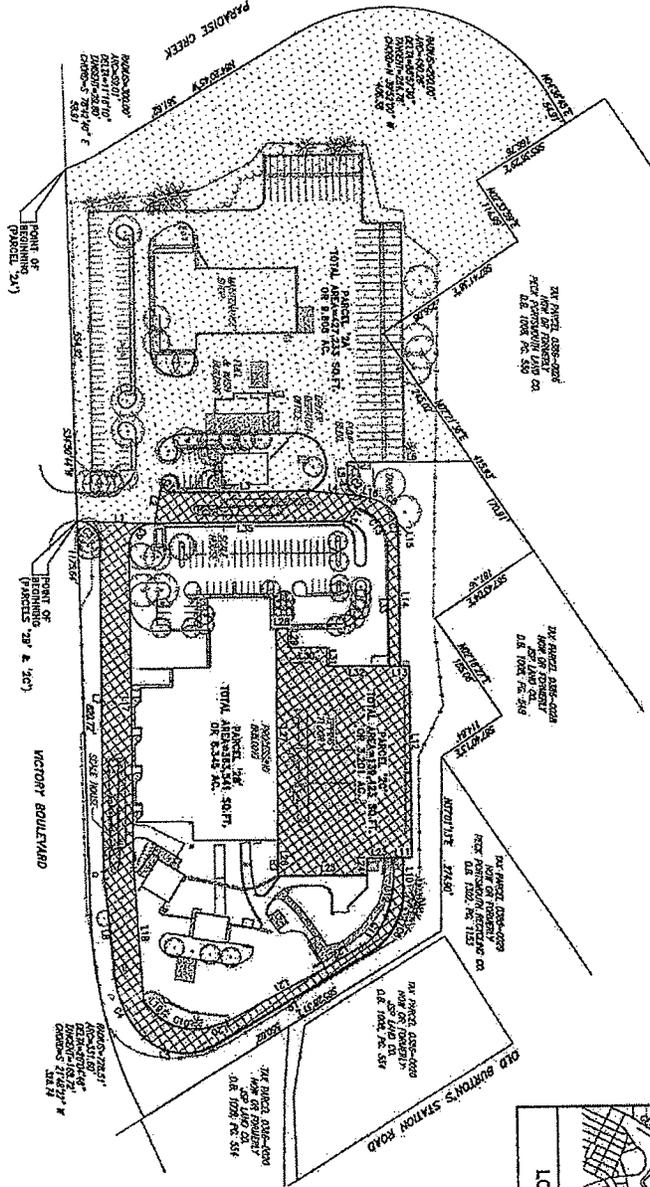

1. Agreement for Marketing of Renewable Energy Certificates with American PowerNet Management, dated November 1, 2006.
2. Agreement for the Sale of Renewable Energy Certificates with Strategic Energy, LLC, dated February 2007.
3. Interconnection Service Agreement with PJM Interconnection, LLC and Virginia Electric and Power Company, dated March 1, 2007.
4. Service Agreement for Wholesale Distribution Service with Virginia Electric and Power Company, effective August 1, 2008.
5. *[Agreement with Bi-Metal Corporation – note: SPSA intends to enter into a new agreement with Bi-Metal Corporation which agreement would cover the provisions of SPSA's existing agreement with Bi-Metal Corporation relating to the recycling of ferrous materials from the WTE facilities and to assign this agreement to the vendor.]*
6. Lease and Good Neighbor Agreement with the City of Portsmouth, Virginia, dated \_\_\_\_\_, 2009.

**SCHEDULE 2.02(a)**

**Description of RDF Tipping Floor**

1. The RDF Tipping Floor, consisting of approximately 1.3 acres, as shown and designated on the plat attached to this Schedule 2.02(a) as "Tipping Floor" and being a portion of Parcel '2C' shown on said plat, together with air rights above such 1.3 acres up to but excluding the interior surface of the roof and all structural supports of the building. The building and all improvements around and above the RDF Tipping Floor (including all interior and exterior walls, structural supports, roof and all other improvements and building components other than the concrete slab and land beneath the RDF Tipping Floor) are not part of the RDF Tipping Floor but are instead part of the WTE Real Property.

**NOTES:**  
 1. THE PLAN IS FOR CONSTRUCTION OF A RESTAURANT, BAR, AND BOTTLE SHOP, BEING PART OF THE PROJECT.  
 2. THE OWNER SHALL BE RESPONSIBLE FOR OBTAINING ALL NECESSARY PERMITS AND APPROVALS FROM THE LOCAL AUTHORITIES.  
 3. THE OWNER SHALL BE RESPONSIBLE FOR OBTAINING ALL NECESSARY PERMITS AND APPROVALS FROM THE LOCAL AUTHORITIES.

## SCHEDULE 2.02(b)

### Description of Scalehouses

1. The two scalehouse buildings and associated scales and related equipment used for weighing vehicles entering and leaving the RDF Tipping Floor and located adjacent to the Access Roads, as each are shown and designated on the plat attached to Schedule 2.02(a) as "Scale House" and being situated on a portion of Parcel '2C' as shown on said plat.

**SCHEDULE 2.02(c)**

**Description of Access Roads**

1. The Access Roads, which are the means of ingress and egress to and from the RDF Tipping Floor and Scalehouses to Victory Boulevard and the facilities being retained by Seller. Seller is providing rights to Buyer to access the WTE Facilities through the Service Agreement. The Access Roads are shown on the plat attached to Schedule 2.02(a) as the remaining portion of Parcel '2C' other than the Scalehouses and RDF Tipping Floor.

## SCHEDULE 2.02(m)

### Solid Waste Disposal Agreements

1. Agreement for Use and Support of a Solid Waste Disposal System with the City of Chesapeake, dated August 9, 1983, as supplemented on September 28, 1988.
2. Agreement for Use and Support of a Solid Waste Disposal System with the City of Franklin, dated April 7, 1983, as supplemented on September 28, 1988.
3. Agreement for Use and Support of a Solid Waste Disposal System with Isle of Wight, dated January 5, 1984, as supplemented September 28, 1988.
4. Agreement for Use and Support of a Solid Waste Disposal System with the City of Norfolk, dated April 7, 1983, as amended September 28, 1988.
5. Agreement for Use and Support of a Solid Waste Disposal System with the City of Portsmouth, dated April 7, 1983, as supplemented September 28, 1988.
6. Agreement for Use and Support of a Solid Waste Disposal System with the County of Southampton, dated November 28, 1983, as amended September 28, 1988.
7. Amended and Restated Agreement for Use and Support of a Solid Waste Disposal System with the City of Suffolk, dated June 26, 2002.
8. Agreement for Use and Support of a Solid Waste Disposal System with the City of Virginia Beach, dated August 8, 1984, as supplemented January 4, 1989.

**SCHEDULE 2.02(n)**

**Other Excluded Items**

1. Agreement with Bi-Metal Corporation, dated June 8, 1998, as amended November 22, 1996, April 9, 2004, and April 28, 2005.
2. Software End-User License Agreement with SAP Public Services, Inc., dated May 28, 2002.
3. Agreement for Disposal of Ash and Processed Residue with the City of Virginia Beach, dated August 5, 1984.
4. Professional Services Work Order with Kronos.
5. Standard Support Services Agreement with Paradigm Software, LLC, dated January 13, 2004.
6. Service Agreement with PeopleAdmin, dated June 8, 2006.
7. Transportation Service Agreement with First Tee Transport, LLC, dated May 12, 2006.
8. Contract with Electronic Systems, Inc. for lease of copiers.
9. The Navy Contract for Waste Disposal Services (N62470-06C-7202), dated June 24, 2006, as amended.

### SCHEDULE 3.03

#### No Conflicts; Governmental Approvals

1. Consent required from the United States Navy under all Navy contracts. Under Section 42.1204 of the Federal Acquisition Regulations, the buyer will be required to enter into a “novation agreement” with the Navy.
2. Consent from PJM Interconnection, LLC and Virginia Electric and Power Company pursuant to Interconnection Service Agreement with PJM Interconnection, LLC and Virginia Electric and Power Company, dated March 1, 2007.
3. Consent from American PowerNet Management pursuant to Agreement for Marketing of Renewable Energy Certificates with American PowerNet Management, dated November 1, 2006.
4. Consent from Strategic Energy, LLC pursuant to Agreement for the Sale of Renewable Energy Certificates with Strategic Energy, LLC, dated February 2007.
5. Consent from Control Dynamics pursuant to Support Services Agreement with Control Dynamics.
6. Consent from Resource Recycling pursuant to Agreement with Resource Recycling, dated May 3, 2006.
7. Consent from Resource Recycling, LLC pursuant to Marketing Agreement, dated May 6, 2003.
8. Transfer of Federal Operating Permit based on the requirements of the Federal Clean Air Act and Chapter 80, Article 1, of the Commonwealth of Virginia Regulations for the Control and Abatement of Air Pollution, issued by the Commonwealth of Virginia Department of Environmental Quality, effective February 4, 2008, expires February 3, 2013.
9. Transfer of Authorization to Discharge under the Virginia Pollutant Discharge Elimination System and the Virginia State Water Control Law. Permit No. VA0089923 issued by the Commonwealth of Virginia Department of Environmental Quality, effective October 22, 2008, expires October 21, 2013.
10. Transfer of Hampton Roads Sanitation District Industrial Wastewater Discharge Permit No. 0284, effective July 1, 2005, expires June 30, 2010.
11. Transfer of Hampton Roads Sanitation District Industrial Wastewater Discharge Permit No. 0447, effective July 1, 2009, expires June 30, 2012.
12. Buyer will need to obtain a Permit-by-Rule to operate the facilities.

13. Consent required from all bond insurers under the related Bonds.
14. Consent required from the Virginia Resources Authority.
15. Consent may be required from U.S. Bank National Association.
16. Consent required from Wachovia Bank.
17. Consent required from Bi-Metal to “split” the existing Agreement with Bi-Metal and to transfer the agreement relating to the WTE facility to the vendor.
18. Consent required to assign IFIX software.
19. Consents may be required in connection with the transfers of licenses to use the software listed in 2.01(o).
20. Consent to assign the following waste delivery agreements:
  - (a) Solid Waste Delivery Agreement with Allied Waste Services, dated December 17, 2008.
  - (b) Solid Waste Delivery Agreement with Bay Disposal, dated December 12, 2008.
  - (c) Solid Waste Delivery Agreement with Meeks Disposal Company, Inc. dated December 9, 2008.
  - (d) Solid Waste Delivery Agreement with Waste Industries, LLC, dated December 17, 2008.

provided, the failure to obtain any or all consent(s) or approval(s) from such counterparties to assign such solid waste delivery agreement to Buyer shall not be a condition to the Closing.

## **SCHEDULE 3.04**

### **Legal Proceedings**

1. On December 1, 2008, Shannon Vaughan, a former employee, filed a Charge of Discrimination with the Equal Employment Opportunity Commission. A copy of the Charge of Discrimination (No. 437-2009-00150) is provided in the diligence deal room in item D-15(10).
2. City of Chesapeake, Virginia v. Southeastern Public Service Authority of Virginia, Case No. CL06-1876, Circuit Court of the City of Chesapeake, Virginia. On June 30, 2006, the City of Chesapeake, Virginia filed a Complaint in the Circuit Court of the City of Chesapeake, Virginia containing six counts - four Counts asserting claims against the Authority and two Counts requesting various forms of relief. Count I alleges that Chesapeake will not remain liable for its obligations under its August 9, 1983 Agreement for Use and Support (the "Use and Support Agreement") if it elects to withdraw from the Authority because that agreement is not a "written obligation." Count II alleges that the Use and Support Agreement is not valid because certain actions allegedly taken by the Authority are in derogation of Chesapeake's right to protect the public health, safety and welfare. Count III alleges that the Authority's actions in accepting and disposing of out-of-area waste are "ultra vires." Count IV alleges that the Authority's actions in adopting tipping fees for private waste management companies including companies providing out-of-area waste are in violation of the Virginia Water and Waste Authorities Act. The relief called for in Counts V and VI includes a request for a declaratory judgment finding that the Use and Support Agreement is invalid and preliminary and permanent injunctions to preclude the Authority from taking certain actions described therein.

The Authority filed the responsive pleadings in Chesapeake Circuit Court including a Demurrer challenging the validity of the suit and a Special Plea of Estoppel alleging that because of its prior conduct and course of action, Chesapeake is barred from challenging SPSA's acceptance of out-of-area waste or contesting SPSA's right to charge competitive tipping fees for such waste. The Demurrer asked the Court to dismiss Counts I and II and any other elements of Chesapeake's Complaint related to Chesapeake's proposed withdrawal from SPSA.

On September 28, 2006, the Chesapeake Circuit Court granted the Authority's Demurrer as to Counts I and II and dismissed them with prejudice, in effect holding that Chesapeake's Complaint failed as a matter of law to state a cause of action for which the requested relief could be granted. The court also denied Chesapeake's motion for a temporary restraining order to enjoin the Authority from entering into out of area waste contracts. The time for Chesapeake to appeal this decision has not expired. Unless the Supreme Court of Virginia grants an appeal and reverses the trial court's ruling on Counts I and II, Chesapeake's claims under these Counts will be dismissed and forever barred and Chesapeake will be precluded from challenging its obligations under the Use and Support Agreement on the same grounds in the future. The matters alleged in Counts III and IV remain pending with the Chesapeake Circuit Court.

3. In re: U.S. Energy Systems Inc., et al., Chapter 11 Case No. 08-10054 (RDD), United States Bankruptcy Court, Southern District of New York. On January 23, 2009, various entities that are parties to a lease and contracts with SPSA filed a Chapter 11 bankruptcy proceeding with the United States Bankruptcy Court for the Southern District of New York as a part of an earlier proceeding filed by their parent. Pursuant to the lease and contracts, these entities conducted landfill gas extraction and power generation activities at SPSA's Suffolk regional landfill and pay SPSA rent and royalties. These entities were debtors in possession in the bankruptcy proceeding and as such, continued to operate the landfill gas extraction and power generation facilities ("Facilities") and to make payments under the terms of the contracts and lease. These proceedings were instituted to effectuate a proposed sale of these entities and related assets to Silver Point Finance, LLC ("Silver Point") or another purchaser pursuant to bidding procedures approved by the bankruptcy court. The sale has been concluded with a Silver Point entity acquiring the entities and assets and the acquiring entity continues to operate the Facilities and to make payments under the terms of the contracts and lease. Pre-petition royalty payments due SPSA in the amount of \$50,374.42 are to be paid to SPSA.
4. Claim by City of Portsmouth, Virginia. The City of Portsmouth, Virginia ("Portsmouth") has assessed a service charge pursuant to Va. Code Section 58.1-3400, et seq. claiming a total amount due of \$1,532,946.39: \$378,408.75 for 2009; \$381,796.82 for 2008; \$384,778.09 for 2007; and \$387,962.74 for 2006. SPSA asserts that it is not responsible for these charges and will defend any action to collect them.
5. Other Matters – DEQ Notices of Violation. While no litigation has been threatened, we are reporting that the Virginia Department of Environmental Quality ("DEQ") has recently issued notices of violation to SPSA for the following: (a) failure to complete the closure of Cells I-IV at the Suffolk landfill by the prescribed deadline; and (b) an alleged violation of SPSA's Prevention of Significant Deterioration ("PSD") permit for failure to meet CO emissions standards at the Portsmouth power plant. SPSA is currently negotiating with DEQ to resolve these matters.

**SCHEDULE 3.05**

**Liabilities**

None.

## SCHEDULE 3.06

### Material Contracts

1. Navy Contract.
2. Master Power Purchase and Sale Agreement with American Electric Power Service Corporation, dated April 23, 2008, as modified by Letter Agreement dated June 26, 2009.
3. Interconnection Service Agreement with PJM Interconnection, LLC and Virginia Electric and Power Company, dated March 1, 2007.
4. Service Agreement for Wholesale Distribution Service with Virginia Electric and Power Company, effective August 1, 2008.
5. Maintenance Agreement with Emerson Electric.
6. Pricing Agreement with Magotteaux, Inc., dated June 19, 2008.
7. Marketing Services Agreement with Chesapeake Waste Solutions, Inc., dated December 14, 1998, as may be amended following re-negotiation with the contractor.
8. Agreement with Ashland Water Technologies, dated September 3, 2008.
9. Agreement with Harley Security, LLC, dated July 11, 2008.
10. Pricing Agreement with Parker Oil Company, Inc., dated June 14, 2007.
11. Pricing Agreement with Greer Industries, Inc., dated June 19, 2008.
12. Agreement with Key Chemical, Inc., dated September 16, 2008.
13. Pricing Agreement with Menardi Mikropul, LLC, dated June 17, 2008.

**SCHEDULE 3.06(a)**

**Exceptions re: Material Contracts**

None.

**SCHEDULE 3.07**

**Permits, Compliance and Laws**

1. FCC licenses for 2-way radios, FCC registration #0002066736.
  - (a) Channels 1, 3, 4: Call sign KD20217; File #0001930251; Expires 7/26/2014.
  - (b) Channel 2: Call sign WNWV539; File #0000545731; Expires 8/2/2011.

**SCHEDULE 3.07(a)**

**Exceptions re: Permits, Compliance and Laws**

None.

## SCHEDULE 3.09

### Environmental Permits

1. Federal Operating Permit based on the requirements of the Federal Clean Air Act and Chapter 80, Article 1, of the Commonwealth of Virginia Regulations for the Control and Abatement of Air Pollution, issued by the Commonwealth of Virginia Department of Environmental Quality, effective February 4, 2008, expires February 3, 2013.
2. Authorization to Discharge under the Virginia Pollutant Discharge Elimination System and the Virginia State Water Control Law. Permit No. VA0089923 issued by the Commonwealth of Virginia Department of Environmental Quality, effective October 22, 2008, expires October 21, 2013.
3. Authorization to Discharge under the Virginia Pollutant Discharge Elimination System and the Virginia State Water Control Law. Permit No. VA0005215 issued by the Commonwealth of Virginia Department of Environmental Quality, effective April 25, 2005, expires April 24, 2010. *[Note – this is the Navy’s permit. Section 50 of the Navy Steam Power Contract provides that SPSA may discharge stormwater from the Power Plant site in accordance with the VPDES permit provisions and other requirements. Section 23 of the Power Plant Easement allows SPSA to continue to discharge stormwater after expiration of the Navy Steam Power Contract during the term of the Power Plant Easement, in compliance with prescribed conditions.]*
4. Prevention of Significant Deterioration Permit Stationary Source Permit to Construct and Operate, Permit No. 61018, issued by the Commonwealth of Virginia Department of Environmental Quality. Amended on August 20, 2003.
5. Hampton Roads Sanitation District Industrial Wastewater Discharge Permit No. 0284, effective July 1, 2005, expires June 30, 2010.
6. Hampton Roads Sanitation District Industrial Wastewater Discharge Permit No. 0447, effective July 1, 2009, expires June 30, 2012.
7. Permit-by-Rule No. 500 issued by the Commonwealth of Virginia Department of Environmental Quality.
8. Annual Tier Two Emergency and Hazardous Chemical Inventory reporting to the City of Portsmouth.
9. Registration with the Nuclear Regulatory Commission for devices that use radioactive material to measure the level of hoppers.
10. Registration (five-year) for two 55,000 gallon number 2 fuel oil tanks which are outside of the power plant.
11. Miscellaneous compressed air cylinder certifications.

## SCHEDULE 3.09(a)

### Environmental Matters

#### Virginia Department of Environmental Quality

1. On October 25, 2005, the Virginia Department of Environmental Quality ("VA DEQ") sent SPSA a warning letter regarding SPSA's solid waste management facility. The letter indicated that during an inspection, ash was observed above the decanting pit berm and that the V ditch adjacent to the decanting pit was filled in several areas with ash. The letter requested an answer outlining corrective actions to be taken within 20 days. SPSA submitted its written response on November 15, 2005, confirming that the ash had been removed.
2. On June 22, 2005, a SPSA process worker was observed pushing out waste water from the tipping floor of the RDF plant onto the incoming roadway. The water then flowed into a storm drain. SPSA notified the VA DEQ of this violation on June 24, 2005.
3. On November 6, 2006, the VA DEQ issued a warning letter to SPSA following its investigation of several odor complaints made by citizens. During the complaint investigation on September 13, 2006, SPSA informed the VA DEQ that the waste burned had been extremely moist and its combustion required more air than usual, so normally negative pressure in its boilers had become positive. This fact caused the presence of odor in the indoor air to be vented outside the roof vents, causing odor in the neighborhood area. VA DEQ requested a response within twenty days of the date of the letter. On November 27, 2006, SPSA sent its response, further explaining the situation and identifying corrective actions to be taken to avoid future incidents.
4. On January 17, 2007, the VA DEQ sent SPSA a warning letter regarding SPSA's steam plant. The letter indicated that during an inspection, holes were observed in the panels of the sidewalls adjacent to the waste storage pits. The letter requested an answer outlining corrective actions to be taken within 20 days.
5. On April 23, 2009, the VA DEQ issued a Notice of Violation documenting its file review of SPSA's quarterly Excess Emission Reports. The VA DEQ observed that, on several occasions, SPSA's RDF boilers exceeded the carbon monoxide (CO) emission limit for each of the RDF boilers of 200 ppmv (parts per million by volume). Since then, SPSA has been able to control CO at less than or equal to 200 ppmv on all units with one exception (which was disclosed to the VA DEQ). SPSA representatives have met with VA DEQ representatives to discuss SPSA's ongoing efforts to maintain these levels. On June 5, 2009, SPSA sent the VA DEQ a letter summarizing its efforts.
6. On June 23, 2009, the VA DEQ issued a Notice of Violation regarding its landfill facility following the VA DEQ's inspections on June 1 and 15, 2009. SPSA intends to respond within 10 days of the date of the letter.

### **Hampton Roads Sanitation Department**

1. On March 28, 2007, the Hampton Roads Sanitation Department ("HRSD") sent SPSA a Notice of Violation regarding SPSA's delay in sending a water sample for manhole 6. SPSA responded on April 2, 2007 that the cause of delay was operator error and that corrective action had been taken.
2. On November 27, 2007, HRSD sent SPSA two Notices of Violation. The first cited SPSA for improper sampling techniques and the second cited SPSA for late submittal of a required report. SPSA responded to both Notices of Violation on November 30, 2007, explaining that the errors were due to administrative oversight and would be corrected.
3. On January 3, 2008, HRSD sent SPSA a Notice of Violation citing improper sampling techniques. On January 8, 2008, SPSA responded via letter explaining that the error was due to administrative oversight and would be corrected.

### **Environmental Protection Agency**

The following disclosure is made for informational purposes only:

In July of 2009, the Environmental Protection Agency ("EPA") sent SPSA an EPA Pre-Final Design for the First Cleanup Phase at the AWI Site, Project Number 14530.11 (the "Report"). The Report stated that certain property, owned by Atlantic Woods Industry, Inc. ("AWI") and located adjacent to certain of SPSA's property, has been classified as a Superfund site. Testing has shown that soil located on SPSA's property (on which the overhead conveyor is located) has been contaminated as a result of its proximity to AWI's site. The EPA plans to enter SPSA's site and perform excavation to remove the contaminated soil. Following the excavation, soil found in excess of the soil cleanup criteria will be evacuated and consolidated on AWI's property, upon which a soil cover will be installed.

**SCHEDULE 3.09(c)**

**Environmental Matters re: Written Notices from any Governmental Authority or Person  
re: Violations of Environmental Laws**

See Schedule 3.09(a) above.

**SCHEDULE 3.09(d)**

**Environmental Matters re: Written Notices to any Governmental Authority or Person**  
**re: Release**

Several years ago, SPSA notified the Navy (as the VPDES holder) of some cooling water spills that got in the stormwater system. The Navy reportedly monitored the situation and determined it had been sufficiently abated that there was nothing for it to report to the VA DEQ. The water may have contained Hazardous Substances.

**SCHEDULE 3.10**

**Insurance Policies**

<b>Coverage</b>	<b>Limits</b>	<b>Insurer(s)</b>	<b>Policy Number</b>
Property & Boiler – All Locations	\$200,000,000 (80%)	AIG (National Union Fire)	2612163
	\$50,000,000 (20%)	Liberty International	4NO58334008
General Liability	\$2,000,000/\$1,000,000	Chubb Insurance	3710-87-22
Automobile Liability & Physical Damage	\$1,000,000 Combined Single	PMA Insurance Group	1508007627235
Workers' Compensation	\$1,000,000 Employer's Liability	PMA Insurance Group (MAICO)	200800-7627235
Excess Liability	\$10,000,000	States Self Insurance	SEL 30131-07
Crime	\$500,000	Travelers Property & Casualty	104992468
Pollution	\$5,000,000	American International Specialty Lines Insurance Company	PLS12962459
Flood-Power Plant	\$500,000 Bldg./500,000 Contents	Fidelity National	45251009327204
Public Officials	\$1,000,000	National Union Fire	01-502-2298
UST/AST – Storage Tanks	\$2,000,000 Annual Policy Aggregate Limit	Great American Alliance	BTA523696106
	\$1,000,000 Per Environmental Incident Limit		
	\$1,000,000 Defense Limit Per Environmental Incident		

### **SCHEDULE 3.11**

#### **Exceptions re: Title to Assets**

The City of Portsmouth currently owns the parcel of land described on Schedule 2.01(c) and air rights for the conveyor attached to the WTE Facilities over Elm Avenue from the City of Portsmouth, Virginia.

Under the Agreement with Bi-Metal Corporation referenced in Schedule 2.02(n), Bi-Metal Corporation has a right to purchase for one dollar the ferrous metal recovery and recycling system installed in the power plant portion of the WTE Facilities upon expiration or earlier termination of that agreement.

**SCHEDULE 3.12**

**Intellectual Property Licenses Requiring Continued Payment**

SPSA makes payments for support and maintenance of the software listed on Schedule 2.01(o).

**SCHEDULE 5.01(a)(ii)**

**Portsmouth Parcel**

ALL THAT certain piece, lot or parcel of land with the improvements thereon and the appurtenances thereunto belonging, situate, lying and being in the City of Portsmouth, Virginia being a portion of a 60 foot wide right-of-way located south of Elm Avenue that is shown and designated as "Remainder of Property of City of Portsmouth" on that certain plat entitled "Parcel 003 Minor Subdivision of Property Owned by City of Portsmouth, Virginia NAVFAC Drawing Number 4522118" prepared by Baldwin & Gregg, Ltd. dated November 1, 2004 and recorded in the Clerk's Office of the Circuit Court of the City of Portsmouth, Virginia (the "Clerk's Office") in Map Book 20 at pages 131 and 132.

## SCHEDULE 6.05

### Employee Payments

Projected Cost for Accrued SL, VL & CSL  
Based on Current Accrual Rates as of 6/14/2009  
Projection is based on Current Accrual Balances as of 6/14/2009 + 7 P/Ps  
(7 Accrual Sundays thru Sept. 20, 2009)  
Includes 10% Pay Supplement for HEO, HEO Sr, RDF, CRO, WTE (Rover)
