

PUBLIC NOTICE

The Board of Supervisors of Rockingham County (County) has received and accepted an unsolicited proposal for conceptual phase consideration under the County's Public-Private Education Facilities and Infrastructure Act of 2002 (PPEA) and Public-Private Transportation Act of 1995 (PPTA) Policy adopted by the County on May 11, 2011 (Policy). The County intends to evaluate the proposal, may negotiate a comprehensive agreement with the private entity based on the proposal, and will accept for simultaneous consideration any competing proposals that comply with the Policy.

The proposal is for the extension of a public water line on Mosby Road near address 137 Mosby Road, to the Cobblers Valley Subdivision located off of Pear Street.

Interested parties have until 2:00 p.m. on Monday, July 8th 2019, to submit competing proposals for consideration. Proposals should be submitted to Trish Davidson, Rockingham County Administration Center, Finance Department, 20 East Gay Street, Harrisonburg VA 22802. A copy of the unsolicited proposal (with the exception of confidential information) and back-up information is available for review at this address and also available on the County's website at www.rockinghamcountyva.gov.
